Advantage

NewHire Advantage is the hiring solution for HR Professionals, Recruiters and companies hiring for multiple job titles.

Here's what you get:

Unlimited Job Titles

With *Advantage* you can hire for as many job titles as your company needs!

Candidate Application

Candidates apply for your job and submit their resume on the Candidate Landing Page**.** This page displays your branding, the job ad and your customized screening questions.

NewHire Screening Tools

Screen candidates based on their responses *before* you look at a single resume! Search, sort, screen and track your candidates in your NewHire database. Candidate screening questions can be customized for any job position.

Recruitment Advertising

Personalized advertising plan and budget for each of your positions with your Staffing Coordinator.

Professionally Written Job Ads

Our recruiting professionals write accurate, attention-grabbing job ads for 3 job titles. Our customers report getting significantly better candidate pools when we write the job advertisements.

One-on-One Recruiting Consultation & Training

When you choose *Advantage*, you'll be assigned to a recruiting professional who will work with you throughout the hiring process. We provide up to 4 hours of User Training on NewHire for your entire HR team**.**

On-Demand Phone Support

We're here to help! Although NewHire is easy-to-use, we realize that you may have questions along the way. Our On-Demand Phone Support provides one-on-one phone assistance to answer your hiring and software questions when you need it.

Unlimited Users

You get unlimited user access to our NewHire software.
